<p><b>Particulars of any arrangement that exists for consultation with, or representation by, the members of the public in relation to the formulation of its policy or implementation thereof</b></p>				

Since BBMB is distributing water and generating power for captive use of partner states. CE(s) of partner states, generally hold meeting with Public representative of their respective areas, before attending TCM meeting for water related issues and Power sub – committee meeting for power related issues held by Secretary/Spl. Secretary respectively. As such there is no direct arrangement of interface between public & BBMB.
