Press Release   Dated :- 22.03.2025

BBMB receives CBIP Award for its iconic Bhakra Nangal Project

Chandigarh: The Bhakra Beas Management Board (BBMB) has been honoured with the prestigious CBIP Award for **"Best Maintained Project (only functional structures-minimum age 50 Years)"** Category for its iconic Bhakra Nangal Project in recognition of BBMB's exceptional efforts in maintaining this monumental infrastructure project for over 50 years. This esteemed accolade was presented at the CBIP Day Celebrations and Award Presentation Ceremony, held on March 21st, 2025 at New Delhi.

The Central Board of Irrigation and Power (CBIP) confers these awards in its continuous endeavour to promote excellence across the Water, Power, and Renewable Energy sectors and to acknowledge the remarkable contributions of organizations, stakeholders, and professionals in these fields.

The award was presented by Shri Raj Bhushan Chaudhary, Minister of State for Jal Shakti, in the presence of eminent dignitaries and leading figures from the water and power sector. On behalf of BBMB, this award was received by Chief Engineer, Bhakra Dam and Secretary, BBMB. This recognition highlights the BBMB's unwavering commitment to operational excellence and sustainable management of critical water and power resources.

Sh. Manoj Tripathi, Chairman, BBMB expressed heartfelt congratulations to all employees for their relentless dedication and hard work, which played a pivotal role in securing this prestigious recognition.

This recognition by CBIP stands as a testament to the dedication and vision of BBMB in achieving excellence, while continuously driving efforts towards environmental sustainability, and renewable energy growth.
